Our new (old) building—a work in progress!

For those of you that came to visit us on Monday 5th July, you were able to take a quick tour around our school building. I'm sure you will agree that there is still quite a lot of work to do to make it ready for us in September

but rest assured there has been lots going on behind the scenes so that every part of the school feels warm and welcoming for everyone, especially the students.

All of the staff at Keystone are committed to making sure that the environment in which we will learn and play is comfortable, engaging and supportive. Mrs Bellaby has been very busy ordering lots of resources for all of the subjects including art and design, PE, maths, English and Science; not to mention games and other activities for breaktime.

Here is a reminder of what the building looked like on the tour.
