5<sup>th</sup> September 2022

Dear parents / carers,

I hope you have all managed to enjoy some sun, fun and rest this summer ready for the beginning of the new school term.

I am delighted to have opened the Keystone Academy, after many months of preparation and am pleased to welcome your children into our brand-new school.

I know that a successful and happy school depends on all of us working together and I hope to build upon the positive relationships that have begun to be established.

I have enjoyed beginning to get to know some of you over recent months and was pleased to see so many of you at our introductory tour on Friday, with your children. You will have noticed that the school is still very bare, waiting for us to involve your children in producing work to display around the school. Whilst we still have much to do, I can assure you we have a wonderful staff team who are experienced, enthusiastic and ready to educate and support your children and to develop the environment with them in mind.

We will be holding some events over the next term, for you to come along, meet the staff you have yet to meet and to observe the changes and developments we will achieve over the coming weeks. Examples of these events will include coffee mornings and drop-in sessions and will take place at different times in the day and week, in the hope that as many families as possible will have the opportunity to attend.

I will look forward to seeing many of you there and meeting those of you I have yet to meet.

We will be in touch with the details of these events shortly.

We will also be looking to recruit our local governing board, so if this is something you might be interested in, please do get in touch and look out for our communications about it that will follow shortly. In the meantime, I will be available at the school gate before and after school, so please do say hello.

You're also welcome to contact me via email at [admin@thekeystoneacademy.org](mailto:admin@thekeystoneacademy.org) or by phone on 01743 599011.

Yours faithfully

*A Bellaby*
